Now Always Best Care Senior Services Offers Skilled Care Franchises in Florida!

Roseville CA, February 23, 2011 — Since 1996, Always Best Care has been a leader in providing non-medical in-home care and assisted living placement services. Now, as a result of economies of scale in conjunction with Florida licensure requirements, Always Best Care franchises will have the option of providing skilled home health care throughout Florida as a basic service as soon as they launch their businesses.

To help each Florida franchise go to market as quickly and smoothly as possible, Always Best Care provides all the necessary state contacts plus access to the nation's top health care licensure consultants to advise new franchisees on the most cost effective and time efficient procedures for acquiring their licenses and launching their businesses.

Leadership in providing a full range of services means multiple revenue streams for our franchises. Best of all, all three revenue streams derive from the same base of common referral sources. This is just one more reason Always Best Care was named the fastest growing Senior Care franchise system in the USA by *Entrepreneur* magazine! For information on becoming an Always Best Care franchisee, contact us at franchisesales@abc-seniors.com, or visit www.franchisewithalwaysbestcare.com.

Founded in 1996, Always Best Care began franchising just three years ago, and now has more than 125 franchises throughout the country. The company has assisted more than 25,000 seniors representing a wide range of illnesses and personal needs.
