Always Best Care® Franchisee Tops \$20 Million in Annual Revenues

Roseville, CA (March 11, 2015) – Always Best Care® Senior Services announced today the first topping of the \$20 million mark by one of its franchisees.

“Exceeding \$20 million in annual revenues in 2014 was an incredible accomplishment,” said Michael Newman, founder and chief executive of Always Best Care. “It is a testament to the strength of our franchisees and both the growing acceptance and increasing need for non-medical in-home care for our senior citizens.”

Always Best Care is one of the nation’s leading providers of non-medical in-home care, assisted living placement services and skilled home health care. The company delivers its services through an international network of more than 200 independently owned and operated franchise territories throughout the United States and Canada.

Mr. Newman added “The industry has been gaining momentum, as more and more studies have shown better home health care reduces Medicaid costs, according to Beth Finkel, State Director of AARP in New York State.”
