Medical Alert Service

Because **there's no place like home** with HomeSafe from Philips Lifeline

The best gift you can give your family this holiday season is the peace of mind that comes from knowing that with a subscription to Philips Lifeline – the #1 medical alert service in the US today¹ – your loved ones are never truly alone.

The HomeSafe Medical Alert Service from Philips Lifeline provides you with a critical connection to family, friends, and access to help in *any* emergency – whether it's related to a fall or chronic condition, or you're suddenly not feeling well.

No other medical alert service offers the benefit of AutoAlert, our proprietary automatic fall detection technology. It can automatically place a call for help if it detects a fall – even if you're disoriented, immobilized, or unconscious and are unable to push your button.²

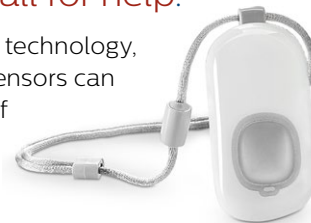

You'll never truly be alone **at home** with HomeSafe

With the press of a button, the HomeSafe Standard Medical Alert Service from Philips Lifeline provides fast 24/7 access to help in any emergency.

Even if you can't push your button, HomeSafe with AutoAlert can automatically place a call for help.

Featuring advanced fall detection technology, HomeSafe with AutoAlert smart sensors can identify many types of falls² and, if one is detected, can quickly notify a Trained Care Specialist to get assistance there fast, even if you're unable to push your help button.

We're here to help you **stay connected** in any emergency

With Philips Lifeline, you'll always decide how you want to be helped – by a neighbor, caregiver, or emergency services.

Philips Lifeline – **America's #1 medical alert service**¹ – can help you continue living independently. Because there's no place like home.
